

OFFICE OF THE GOVERNOR  
STATE OF HAWAII

**PROCLAMATION RELATING TO  
HURRICANE KIKO**

By the authority vested in me by the Constitution and laws of the State of Hawai'i, to provide relief for disaster damages, losses, and suffering, and to protect the health, safety, and welfare of the people, I, SYLVIA LUKE, Acting Governor of the State of Hawai'i, proclaim as follows:

**WHEREAS**, as of 8:00 a.m. on Friday, September 5, 2025, Hurricane Kiko is a major hurricane located approximately 1200 miles east-southeast of the State and is travelling in a west-northwesterly direction. Kiko is forecast to approach the State as a tropical storm early during the week of September 7, 2025.

**WHEREAS**, tropical storms carry the potential for life-threatening and damaging winds, rain, and surf. Tropical storm force winds and high surf associated with Kiko could begin impacting portions of the State starting around Monday, September 8, 2025.

**WHEREAS**, it is critical that the State and counties have sufficient resources to clear debris, secure infrastructure, and take other measures to prepare for the approaching storm, as well as to respond to and recover from any impacts Kiko might bring to the State;

**NOW, THEREFORE**, I, SYLVIA LUKE, Acting Governor of the State of Hawai'i, hereby declare the existence of a state of emergency under section 127A-14, Hawaii Revised Statutes (HRS), because the approaching hurricane Kiko poses an imminent danger or threat of an emergency or disaster in the State of Hawai'i. This Proclamation covers the entire State of Hawai'i. I further authorize and invoke the following emergency provisions, if not already in effect upon this declaration of an emergency:

**I. Invocation of Laws**

Section 121-30, HRS. I authorize and direct the Adjutant General to activate such units of the Hawai'i National Guard as may be necessary to assist and aid civilian authorities in disaster relief and in averting any imminent public danger and threat and to ensure the compliance with the civil laws of the State of Hawai'i.

Subsection 127A-12(b)(13), HRS. I require each public utility, or any person owning, controlling, or operating a critical infrastructure, to protect and safeguard its or the person's property, or to provide for the protection and safeguarding thereof, and provide for the protection and safeguarding of all critical infrastructure and key resources; provided that without prejudice to the generality of the foregoing two clauses, the protecting or safeguarding may include the regulation or prohibition of public entry thereon, or the permission of the entry upon terms and conditions as I may prescribe.

Subsection 127A-12(b)(16), HRS. I direct all state agencies and officers to cooperate and extend their services, materials, and facilities as may be required to assist in emergency response efforts.

Section 127A-16, HRS. I activate the Major Disaster Fund.

### **III. Severability**

If any provision of this Proclamation is rendered or declared illegal for any reason, or shall be invalid or unenforceable, such provision shall be modified or deleted, and the remainder of this Proclamation and the application of such provision to other persons or circumstances shall not be affected thereby but shall be enforced to the greatest extent permitted by applicable law.

### **IV. Enforcement**

No provision of this Proclamation, or any rule or regulation hereunder, shall be construed as authorizing any private right of action to enforce any requirement of this Proclamation, or of any rule or regulation. Unless the Governor, Director of Emergency Management, or their designee issues an express order to a non-judicial public officer, no provision of this Proclamation, or any rule or regulation hereunder, shall be construed as imposing any ministerial duty upon any non-judicial public officer and shall not bind the officer to any specific course of action or planning in response to the emergency or interfere with the officer's authority to utilize his or her discretion.
